Congratulations! eTech Ohio has approved your Technology Plan for the 2009-10, 2010-11, 2011-12 school years.

Certification Period: July 1, 2009 - Jun 30, 2012

Please retain this document for future reference. A copy of this technology plan approval certification is also available in your district's technology plan archive within the Technology Planning Tool (TPT) application. Please note that an approved technology plan is an eligibility requirement for most eTech Ohio grant programs.

Evaluation is a critical component of technology planning. Therefore, even though your Technology Plan has been approved for three (3) school years, eTech Ohio recommends that you review and revise your plan regularly, at minimum on an annual basis, to accommodate emerging technologies and other changes.

If you have any questions, please do not hesitate to contact me.

Sincerely,

David Barber
Interim Executive Director, eTech Ohio
